

Dear Parent or Guardian,

Occasionally, we will watch a movie, either a clip or all, with regards to the curriculum in history class. If an R rated movie is chosen, I assure you it is because of its historical content. Any R rated movie I show obtained its rating due to war violence and/or language. In the past I have shown Saving Private Ryan and The Patriot. Please check the appropriate response below in regards to your child. An alternate assignment will be provided if you do not wish your child to view an R rated movie. Please feel free to contact me with any questions or concerns you may have.

Thank you,  
Marcus Shawiak
